Come and join us for a cruise to the Trafalgar Holden Museum. Starting from BP Officer, 9.00am for a 9.30 departure, we will have a leisurely cruise and enjoy the awesome sights of South Gippsland. After our museum visit, enjoy a sensational lunch and a chat at the Trafalgar Hotel.

With the recent closure of the National Holden Museum in Echuca, Trafalgar Holden Museum has become the new home of Holden's owned by GM. The last Victorian Police highway patrol VF Commodore is on display, as well as a Melbourne tram and a WW2 work boat built by Holden.
