

## HSCCV Club Permit Register Form

Under the new Club Permit Scheme the club is required to keep a register of all members cars so please fill out your details below.

Please note it is a requirement of Vicroads that we have date stamped photographs of your car. The easiest way to do this is to download **Photo Stamper** from the app store for your mobile device (available for Apple and Android users), take photos on your mobile device and send these through to [membership@holdenclub.com](mailto:membership@holdenclub.com). Dated photographs must include images of the front, drivers side, rear, driving position (side on with driver's door open) and, where possible any identifiers such as chassis number and engine number.

What App store icon Photo Stamper (Google / Android) looks like:

Below is an example of how your four photos should look for Vicroads requirements:

N.B. (above photo example shows front passenger door, it is preferable this is the drivers side door.
