Suspension or cancellation of permit

VicRoads may suspend a club permit if it reasonably suspects that:

- the permit holder is engaging in conduct which threatens public safety or undermines the integrity of the club permit scheme; or
- the vehicle operated under the club permit is not an eligible vehicle; or
- the permit holder is failing to comply with any of the conditions of the club permit; or
- the permit holder has disposed of a vehicle and has not destroyed the club permit label and the vehicle's log book and removed the number plates; or
- the vehicle is considered unsafe for use on the road.

VicRoads may cancel a club permit if any action required by a suspension is not taken within the period stated in the notice and it reasonably believes that a reason for the suspension of the club permit still exists.

Responsibilities of club permit holders

When driving a club permit vehicle, a permit holder must:

- carry the club permit and log book for the vehicle at all times the vehicle is being used on a highway
- on each day that the vehicle is driven further than a 100 metre radius from the entrance of the vehicle's garage address, the driver must fully complete the next entry into the log book before commencing the journey.

Club permit holders must remain a current financial member of an approved club.

Vehicles operated on a club permit must be safe for use on a highway. The vehicle must be made available for audit by VicRoads upon request.

Club permit vehicles must display the club permit label and club permit number plate/s issued in respect of the vehicle.

Club permit vehicles can not be used for commercial gain.

Club permit holders must inform VicRoads of:

- a change to the vehicle's residential, postal or garage address
- a change to the vehicle's description ie colour
- modifications to the vehicle that may affect its compliance with Vehicle Standards and/or modification guidelines
- transfer to another approved club
- the sale of a club permit vehicle (when advised VicRoads will cancel the permit)
